VERMONT OXFORD NETWORK eNICQ PATIENT DATA BOOKLET FOR INFANTS BORN IN 2022

This booklet contains protected health care information and must NOT be submitted to Vermont Oxford Network (VON). VON only accepts protected health care information in cases where members have <u>both</u> voluntarily elected to send this information to VON <u>and</u> have signed an appropriate Business Associate Agreement with VON.

This booklet is designed for you to use to collect data that will later be entered by your center into eNICQ, the VON data submission tool.

Contents:

Page 1: Patient Identification Worksheet

Page 2-7: General Data Items For Infants Born in 2022 at Expanded Centers

	PATIENT IDEN	TIFICATION WORKSHEET
Patient's Name:		
Mother's Name:		
Date of Birth:	/ / MM DD YYYY	
Date of Admission: _	MM DD YYYY	 For <u>inborn</u> infants, the date of admission is the Date of Birth For <u>outborn</u> infants, the date of admission is the date the infant was admitted to your hospital
Date of Day 28:	MM DD YYYY	For Date of Day 28 use the Day 28 Calculation Charts: https://vtoxford.zendesk.com/hc/en-us/articles/4402663457171-2022- Calculation-Charts-Date-of-Day-28
Date of Week 36: _	<u> </u>	For Date of Week 36 use the Week 36 Calculator: https://public.vtoxford.org/week-36-calculator/
